1. The IDEALIST [redacted] development program has progressed well into flight test and it is estimated that the [redacted] could be ready for its first operational mission as early as August 1970. Request these representatives attend an initial meeting tentatively scheduled Monday, 27 April 1970, at 1430 (immediately following [redacted]). Please advise names of staff officers assigned this working group and concurrence with this meeting time. (Contact SAS/O/OSA, [redacted]) Further request appropriate staffs be prepared to lead discussion in areas assigned on the attached agenda.
